Audited Members

Free to Access Working at Height Training and Guidance

FASET has long been a foundation in supporting the industry with expert quality guidance, dedicated working at height training and exclusive membership benefit schemes.

[View guidance](#)

Exclusive Member Benefits

FASET members gain access to a range of exclusive support services including growth and profile raising, insurance and solicitor discount schemes and more.

[View benefits](#)

Keeping people and organisations safe in every FASET of their work.

Safety Netting

Safety netting is a life-critical industry and as such, demonstrating competence is a thorough process.

[Learn More](#)

Edge Protection

Protection from edges of surfaces and buildings is another aspect of safety when working - we've got the documentation to help.

[Learn More](#)

Stair Towers

FASET have created stair tower safety resources and training, enabling the operative to apply to CSCS for an endorsement to their CSCS skilled cards.

[Learn More](#)

Roof Over-Netting

When all other methods of installing safety netting underneath a fragile roof have been exhausted, it may be necessary to over-net the roof with a safety net.

[Learn More](#)

Tensioned Access Platforms

More and more frequently the industry is looking to use Tensioned Access Platforms (TAP) in place of other access solutions - learn about how they're used.

[Learn More](#)

Access Platform Decking

Access Platform Decking combines quick installation, with strength, allowing users to safely access, work from and load the decking with materials.

[Learn More](#)

Rigorous Audit

Accredited by SSIP, all members undergo an annual audit to ensure quality and commitment to safety and best standards are maintained.

Free Access Guidance

Members work collectively to create industry leading guidance and shape the future of Working at Height regulations.

CSCS Cards

Easily check evidence of qualifications and training by viewing the details on their FASET card.

Exclusive Benefits

A range of free and discounted support services designed with our members in mind.
